

Hi All,

Please note that the BMSB season is upon us again!!!, starting on the 1<sup>st</sup> of September 2022 until 30<sup>th</sup> April 2023.

Make sure to read the below and check to see if your country of Manufacture is on the list!

BMSB seasonal measures will apply to targeted goods manufactured in or shipped from target risk countries, that have been shipped between 1 September 2022 and 30 April 2023 (inclusive), and to vessels that berth, load, or tranship from target risk countries within the same period.
